

Cash in Cash out

This service allows you to withdraw and deposit money using your debit and prepaid bank cards through Fawry POS machines all across the country!

This service supports prepaid/debit cards under local and international schemes (Visa, Master Card and Meeza) only.

How it works:

Cash In Customers will be able to deposit money to their bank accounts and recharge prepaid cards using their bank card via Fawry POS.

The process is the same as with any ATM: Customers will swipe/insert their card at Fawry point of sale (POS), then enter their card PIN, select the needed amount then hand the physical amount to the agent and then receive confirmation and receipt.

Cash Out Customers will be able to withdraw money from their bank account(s) or prepaid card(s) using their bank card via Fawry point of sale (POS). The process is the same as with any ATM: Customers will swipe/insert their card at Fawry POS, then enter their card PIN, select the needed amount considering the daily/transaction limit allowed for cash in, receive confirmation and then the agent will hand the physical amount & receipt to the customer.
